## ***To Whom It May Concern:***

*Without a doubt the Funky Kids Club experience was the highlight of our school year. Every student was involved in the creative and energetic production. The energy and enthusiasm of Olivia and Denis was transmitted throughout the whole school. Week by week staff observed the confidence and self-esteem of students grow. The two show nights were out of this world, just mind blowing.*

*The whole school community, students, parents and staff are definitely looking forward to the next Funky Kids Production.*
